Minutes of Chapter Meeting May 3, 2006

Hello again !

I'm back to fill you in on the April news. Those attending the meeting were Vicki & Ed, Carol & Eldon, Sandy & Alan, Kay & Arnie, Ron, Ken, Randy, and Linda and Larry.

Randy was running a little late so Alan starts our DVD , called "Ride like a Pro". This basically demonstrated slow riding skills in the "friction zone". We watched a man ride thru cones, turn circles, make U-turns, figure 8's and demonstrate brake and escape. He used different size motorcycles to do all this. He said riding is 90% mental and 10% physical . I am not sure those are my percentages, if I had known that before I would have stuck to gardening. The main message of the DVD was "always turn your head and eyes where you want the cycle to go ". He also reminded us that these skills take practice .

After the DVD , Randy called the meeting to order.

Minutes: Arnie moved and Carol seconds to approve as written (she would , she wrote them) Thanks to Carol for covering for me .

Treasurers report: presented by Sandy , who reports after 4 months she has a new computer and a complete report. Arnie moves and Larry seconds to accept.

Old Business: Randy was the only one who completed the coloring contest. He gives us a report on the Boy Scout Camporee, sounded like fun. Sunday May 7 is the ride to the Danish Windmill , looks like there is quite a few going .

May 10 is the pre-registration cut off date for Region C.

NEW BUSINESS: We were reminded not to forget Mothers Day , which prompted the question on just when is Mothers Day? It is May 14 and we will observe it on that day no matter when Eldon thinks it is.

We reviewed upcoming events like the Big Bear Run and Rally in the Valley.

The final order of business is reviewing Chapter Olympics categories . Carol and Randy will submit our club report before the end of the month.

Arnie moves to adjourn the meeting and Alan seconds.

Culvers is the dessert run, boy am I glad its ice cream season again!! 50/50 was won by Vicki, Ken wins second and Kay wins the bike ticket.

Respectfully,
Linda Hohensee

From the Directors Desk

Hi Everyone !

Just a safety note...Now that prime riding season is starting, have you checked your tires? I was pushing mine a little! When I changed the back tire last week, I Was down to the wear bars in a few spots. Now my wallet is hurting a little, but the bike rides line new again. No big flat spot in the middle !

While we are on the subject of riding, the movie tonight is about group riding. Some of us can practice tomorrow if we get a group together to ride to the Region "C" Rally !

The Saltdogs game is fast approaching. . . it is Saturday June 24th. If you want to attend as a group, I need your \$ 10 deposit before June 14th to get the tickets on time. This is your chance to ride around the field before the game.

Also raffle tickets need to be returned soon. Please bring your tickets back by the June 21st ride so I can send them in. If you need some more tickets, let me know, I have a few left.

Our Fun Run is just a couple of months out. Our Chapter will need all the helpers we can get. If everyone helps out a little, then we can all enjoy the day more. We will be in the cool Community building in Denton, NE this time.

Thank you Carol for working on the Chapter Olympics files. I found out that we are in the running for "Silver" to be awarded at Gold Rush. Our chapter has experienced negative growth this year, so that knocked us out of a Gold.

If I'm at the meeting, that means I survived the show. . . Me 200 Dual Sport ride this past weekend.

Ride Safe. . . .

Randy

2nd Annual Scavenger Hunt

Get your Camera's Ready

Official Start day. . . . June 1, 2006

This year the theme this year will be towards Dexter, our state mascot. It's not possible that you'll be able to carry Dexter with you at all times, let alone having him even be available. Instead, as part of your entry into the fun, you'll be required to purchase your very own Dexter to be included in every picture you take.

The official running time this year will be from June 1st through the entire month of September. Your Dexter can be any type of stuffed animal that you can carry with you for that photo opportunity that crops up this Summer. Just make sure he is large enough to be seen in your photos.

To enter the scavenger hunt, go to gwtanebraska.com and go the scavenger hunt page, click the join link to fill in your entry form. Your first picture (required to get started) will be a shot of you, your bike and (you guessed it) your Dexter. Please note that if you played last year you don't need to re-register (filling in the form) unless your e-mail address has changed or your address has changed. If you are in doubt, fill out the form again. It won't hurt anything.

Also please take time to sign up for the Scavenger Newsletter at the top of the page. Again, if you're not sure if you're on the list, go ahead and sign up again. You will receive a confirmation e-mail shortly after signing up for the newsletter.

Keep in mind that the very first picture must be a picture of you, Dexter and your bike. All remaining photos must be consistent with the same three (depending on the hunt description) in them. Your pictures need to be e mailed to huntpic@gwtanebraska.com in order to receive official credit.

PS. Last year Chapter C was well representedlet's see if we can do even better this year.

My Get Up and Go

How do I know that my youth is spent?
 My get up and go, got up and went.
 But in spite of it all, I'm able to grin
 When I think about where, my get up and go has been
 Old age is golden, I've heard it said
 But sometimes I wonder, as I go to bed
 With my ears in a drawer, my teeth in a cup
 My eyes on the table, until I get up
 Ere sleep dims my eyes, I say to myself
 Is there anything else I should lay on the shelf?
 And I'm happy to say, as I close my door
 My friends are the same, perhaps I have more
 Now when I was young, my slippers were red
 I could kick my heels right over my head
 When I grew older, my slippers were blue
 But I could dance the whole night through
 Now that I'm old my slippers are black
 I walk to the store and puff my way back

The reason I know my youth is all spent
 My get up and go just got up and went
 I really don't mind when I think with a grin
 Of the wonderful places my get up has been
 Since I have retired from life's competition
 I busy myself with complete repetition
 I get up each morning and dust off my wits
 Pick up the paper and read the Obits
 If my name is missing, I know I'm not dead
 So I eat a good breakfast and go back to bed
