Minutes of Chapter Meeting September 6, 2006

September minutes **yikes** ... motorcycle weather is ticking away !!!
Get out there while you can !!!

Meeting was called to order at 7 p.m. by Randy. Members in attendance were Sandy & Alan , Carol & Eldon , Kay & Arnie , Ron , Ken , Randy ,Linda & Larry.

MINUTES: Arnie moved and Carol seconded to approve as written.

TREASURERS REPORT: Presented by Sandy. Sounds like we still have our heads above water so Carol moves to accept and Eldon seconds it , motion carries.

OLD BUSINESS: We wish to thank JoAnn and Earl Lahm for their donation to the newsletter. It was reported that the fun run was a success. The surplus of food was delivered to the "F" Street organization in Lincoln. They sent a thank you to the club.

NEW BUSINESS: Ken makes a motion to change my birthday from Sept. 12 back to Apr. 12 . (He knew this cause he was listening to Carol and I). Somehow it got in the newsletter wrong . I can't stand 2 of them a year , I'd have to lie about my age twice as much.

We also start thinking ahead to the Christmas party Dec. 13. There were some suggestions for some Lincoln locations. After a few suggestions I hear Kens outside voice grumbling in the back row so I suggest Culvers. This idea was shot down cause they don't have a party room ---who cares? Someone will see if any of these suggestions are available.

Randy brings us up to date on some upcoming runs and events . He also reminds us to get our mileage turned in by Oct. 15.

Congratulations to Eldon's drill team for taking first place at St. Louis. He's on a roll this year.

Larry makes a motion to adjourn and Carol seconds it . While everyone was talking Carol says "Culvers " and with that quiet statement , desert run was decided. 50/50 was won by Alan and second place went to Kay.

Larry says we didn't decide where to go for the dessert run , I said, sure we did you just didn't hear it . That's the power of the silent majority, in this case more silent than majority !

Respectfully,

Linda Hohensee , secretary

From the Directors Desk

Hi Everyone!

It's that time of year again. Time to start shoveling in the coal, or maybe it's a wood burner. But I think I can hear the whistle in the distance. I know the water has to be topped off, because of the past rain. (I had 2.2" in my Rod's rain gauge at the Fall Campout.) But I know that steam engine isn't far away. Before it blasts past the station, do we have any nominations for Chapter Director? How about Assistant Director? I don't want this to be a one man band, and there is room for more passengers on this express train!. After the train passes the station it will be time to register our chapter for another year.

The Fall Campout was a success. Around 30 past and present riders & drivers showed up. Randy got a blue tarp in Nebraska City during the Saturday Ride & put it up in a tree. It was 18 X 24 feet! We had room for picnic tables & a fire ring as the rain was a little heavy at times. Everyone had room under one tarp or other ones around Dave & Bump's camper. Some pictures have been posted on the region 'C' site. Go check them out.

Some discussion has been started on a way to get more clubs & people together. One scenario is to combine a dinner ride at Pizza Kitchen. Prairie Red Riders ride is on Thursday (Buffet Night). Maybe we can move one day over and join them for a night. I think Rollin Plains may try this too. Then we can all be together & enjoy a bigger selection of food and friends. Evening with Friends may be another possible date. What are your thoughts on this? Any other places you can think of? Do you want to try this out? How about joining chapter G on some dinner rides that are close? May need to back up to Tuesday for that one. I was thinking on 3 or 4 times during the year for this, once every other month during the spring and fall.

By the time you read this, the 2006 optimists food stand will be over. I think we have just enough workers to fill out the schedule. More information on how the day went will be available at the meeting.

Reminders: Colorama is October 13-15, October Fest is October 21 and Fall Follies is on November 4.

Ride Safe, wear you're PPE (Personal Protective Equipment)

From a Strictly Mathematical Viewpoint:

What equals 100%? What does it mean to give MORE than 100%? Ever wonder about those people who say they are giving more than 100%? We have all been in situations where someone wants you to give over 100%. How about achieving 101%? What equals 100% in life? Here is a little mathematical formula that might help you answer these questions:

If A B C D E F G H I J K L M N O P Q R S T U V W X Y Z
 is represented as 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26

Then: H-A-R-D-W-O-R-K
 8+1+18+4+23+15+18+11+ = 98%

And: K-N-O-W-L-E-D-G-E
 11+14+15+23+12+5+4+7+5 = 96%

But, A-T-T-I-T-U-D-E
 1+20+20+9+20+21+4+5 = 100%

And, LOOK HOW FAR THE LOVE OF God will take you

 L-O-V-E-O-F-G-O-D
 12+15+22+5+15+6+7+15+4 = 101%
