It's like a virtual Fun Run Gone Wild!

Pictures can be submitted, as you take them, via e-mail to scavenger@gwtanebraska.com. If you don't have access to e-mail you can snail mail them to the address below. To play, you must pre-register at <http://gwtanebraska.com> or mail your name, address, city, state, zip and phone number to the address below. All photographs will be displayed on the website. Scoring works just like a fun run. When sending in your picture, include a playing card abbreviation (JS = Jack Spades or 5D = 5 of diamonds etc.) in the subject line. You decide what card or draw one from your own deck. At the end of the contest, points will be assigned to each card in the deck. The one with the highest score wins (prize TBD). Each registered user will have their pictures displayed with their name on the site. **When sending in your picture, include your name, a brief description of the picture, you're playing card and the picture number.**

A motorcycle is deemed an actual working motorcycle. No models accepted. Pictures can only be submitted one time by one person. For group shots change something in the shot or change the angle. The GWTA Nebraska staff reserves the

right to reject any picture for any reason. No photo editing. Photos may not be returned. Due to the large number of photos being submitted please allow plenty of time for processing. Please read clues very carefully. See website for full details.
